

COACHING FOR THE DISCOVERY OF YOUR VERY BEST SELF

Helping Women Become the VIP'S They are Designed to be:

V – VOICE

I – IMPACT

P – PURPOSE

S – STRENGTHS

Your **VOICE** is what you can SPEAK TO because of what you have BEEN THROUGH.

Your **IMPACT** is determined by HOW you do WHAT you do.

Your **PURPOSE** is the WHY inside that fuels you and drives your passion.

Your **STRENGTHS** are those unique talents so specific to your design that no other person on the planet can activate them like you do.

If you are TIRED of just wishing, hoping, and praying for a better way...

If you are READY to start LIVING your better way...

If you are maybe even a little bit SCARED, as well...

That's ok. Courage is only needed where fear is present. And YOU are COURAGEOUS.

If you're ready to discover the impact you are designed to make... let's connect!

After all...

If you change nothing...

Nothing changes.

It's TIME for CHANGE!

AND I HAVE THE KEYS!

Brenda Cox Harkins is the Founder and CEO of Harkins Leadership Group, as well as the Creator of the Loud Is Not A Language® model of effective communication. Brenda is a Certified Life and Leadership Coach, Mediator, Author, and Speaker who helps people unleash their potential by discovering their unique design, understanding their motivations, and defining their purpose in order to live a life of impact.

COACHING FOR THE DISCOVERY OF YOUR VERY BEST SELF

How to get started!

1. First step is to go to Gallup.com and take the Top 5 Clifton Strengths assessment for \$19.99.
2. Second step is to email Brenda at brenda@harkinsleadershipgroup.com with your results. Please put "The Widow's Journey" in the subject line so that she has a reference point. You have a choice to do a \$35 or \$50 CoreClarity profile from Brenda. The \$35 shows the pyramid and bullet points like she shared during the meeting. The \$50 adds a worksheet packet along with that as well as the Decision Matrix she showed. It is your choice as to which one you want to do. She is offering both at her cost.
3. Once she gets your top 5 and find out which CoreClarity packet you want, she will email you an invoice you can just pay right over your phone or computer.
4. Once she has receipt of payment, she will do your CoreClarity profile and set up a time for you to walk through it together. Zoom is best so she can share her screen and be sure that you are both looking at the same thing.
